Denys Rabomizo, Esq.

President of the Ukrainian Maritime Bar Association

Madrid, Spain 2nd March 2022

Dear Denys,

We have received your letter of 26th February and are sharing it with all our membership. Most of the measures you ask for have already been adopted by the European Union with the agreement and participation of the Spanish Government. The Spanish people is supporting the Ukrainian people through different NGOs and many public and private initiatives and the important Ukrainian community in Spain.

We fully and unconditionally support the freedom of Ukraine and request that International Laws and Treaties be fully respected, as well as the territorial integrity of Ukraine and the security of your citizens.

As soon as we can hold a meeting of our own ExCo and in line with the initiatives of the CMI, we will report.

In the meantime, please convey our strongest support to the ExCo and membership of the UMLBA.

With warmest regards,

Eduardo Albors
President
